

# Prayerletter July 2011

*“The LORD has brought over you a **deep sleep**: He has sealed your eyes (the prophets); he has covered your heads (the seers). The Lord says: “These people come near to me with their mouths and honor me with their lips, but their hearts are far from me. Their worship of me is based on merely human rules they have been taught.” Isaiah 29:10, 13*

Different people (from our supporters and from the start team) have independently had this passage come to mind in regard to our area. We think these verses hold well to what we feel here.

## Praise

On Sunday, Rene graduated 7 teens from his first Biblical Instruction class (like confirmation courses for those of you who are familiar with this). He very much enjoyed the group and the celebration! After summer vacation there will be a new small group for teens.

## Prayer

On Wednesday, the 20th of July, we will be starting an event called Legodays. Many cities offer programs for kids during the summer vacation and our Melle church will be building a Lego city with 30 kids through this program. We are very excited and are looking forward to being present in our city. So far the preparations have gone well and we are praying to bless those around us. On Sunday we will have an official city opening with the Deputy Mayor.

Since our ‚Church Event day‘ there has been some uncertainty in our circle of friends. Most of them were surprised at how we finance the church (through tithes). A few have been quite distant since then. Pray for understanding and good communication.

## Personal

We now know why Liam’s test showed blood abnormalities. Both Liam and Joel Luca have Haemophilia A (a blood disorder which inhibits blood clotting). Since both have a mild form, it may well be that they can live without drugs or treatments. However, this diagnosis now poses an increased risk for Melissa and our unborn child during childbirth. Both the doctors at the University of Muenster Clinic, as well as our gynecologist in Melle have advised us to go to the Muenster Clinic for the delivery (Please pray we will make it there on time as it is about an hour away). When we write again we will **hopefully be a family of five ;)**.
